Mary's Song (Oh My My My) by Taylor Swift

She said, I was seven and you were nine	And all I need is you next to me
I looked at you like the (1) that shined	Take me back to the time we had our very first fight
In the sky	The slamming of doors instead of kissing goodnight
The pretty lights	You stayed outside til the morning light
And our daddies (2) to joke about the two of us	Oh my my my
Growing up and falling in love and our (3) smiled	A few years had gone and come around
And rolled their eyes and said "oh my my my"	We were sitting at our favorite (7) in town
Take me back to the (4) in the backyard tree	And you looked at me, got down on one knee
Said you'd beat me up, you were bigger than me	Take me back to the time
You never did, you never did	When we walked down the aisle
Take me back when our world was one block wide	Our whole town came and our mamas cried
I dared you to kiss me and ran when you tried	You said "I do" and I did too
Just two kids, you and I	Take me (8) where we met so many years before
Oh my my my my	We'll rock our babies on that (9) front porch
I was sixteen when suddenly	After all this time, you and I
I wasn't that little girl you used to see	And I'll be eighty-seven
But your eyes still shined (5) pretty lights	You'll be eighty-nine
And our daddies used to joke (6) the two of us	I'll still look at you like the stars that shine
They never believed we'd really fall in love	In the sky
And our mamas smiled and rolled their eyes	Oh my my my
And said "oh my my my"	
Take me back to the creek beds we turned up
