Mary's Song (Oh My My My) by Taylor Swift

She said, I was seven and you were nine	And all I need is you next to me
I (1) at you like the stars that shined	Take me back to the time we had our (13)
In the sky	(14) fight
The pretty lights	The (15) of (16) instead of
And our daddies used to joke about the two of us	kissing goodnight
Growing up and falling in love and our mamas smiled	You (17) outside til the (18)
And rolled (2) eyes and said "oh my my my"	light
Take me (3) to the house in the	Oh my my my my
(4) tree	A few (19) had (20) and come
Said you'd beat me up, you were (5) than me	around
You never did, you never did	We were sitting at our favorite (21) in town
Take me (6) when our world was one block wide	And you looked at me, got down on one knee
I dared you to kiss me and ran (7) you tried	Take me back to the time
Just two kids, you and I	When we walked (22) the aisle
Oh my my my my	Our whole town came and our mamas cried
I was sixteen when suddenly	You (23) "I do" and I did too
I wasn't (8) (9) (10) you	Take me home where we met so many years before
used to see	We'll rock our babies on (24) very front porch
But your eyes still shined like pretty lights	After all (25) time, you and I
And our daddies used to joke (11) the two of us	And I'll be eighty-seven
They never believed we'd really fall in love	You'll be eighty-nine
And our mamas smiled and rolled their eyes	I'll still look at you like the stars that shine
And said "oh my my my"	In the sky
Take me back to the creek (12) we turned up	Oh my my my
