Should've Said No (Live) by Taylor Swift

You should've gone home

Fill in the gaps

It's strange to think the songs we used to sing	You should've thought twice 'fore you let it all go
The smiles, the flowers, everything is gone	You should've know that word
Yesterday I found out about you	But with what you did with her
Even now just looking at you (1) wrong	Get back to me (get back to me)
You say that you'd take it all back	And I should've been there
Given one chance	In the back of your mind
It was a moment of weakness	I shouldn't be asking myself "why?"
And you said "yes"	You shouldn't be begging for
You should've (2) "no"	Forgiveness at my feet
You should've (3) home	You should've said "no"
You should've thought twice 'fore you let it all go	Baby, and you might still (5) me
You should've know that word	I can't resist
With what you did with her	Before you go tell me this
Get back to me (get back to me)	Was it worth it?
And I should've been there	Was she worth this?
In the back of your mind	No no, no no no, no
I shouldn't be asking myself "why?"	You should've said "no"
You shouldn't be begging for	You should've gone home
Forgiveness at my feet	You should've thought twice 'fore you let it all go
You should've said "no"	You should've (6) (7) word
Baby, and you might still have me	But with what you did with her
You can see that I've been crying	Get (8) to me (get (9) to me)
Baby you know all the right things to say	And I should've been there
But do you	In the back of your mind
Honestly (4) me to believe	I shouldn't be asking myself "why?"
We could ever be the same?	You shouldn't be begging
You say that the past is the past	For forgiveness at my feet
You need one chance	You should've said "no"
It was a moment of weakness	Baby, and you might still have me
And you said "yes"	
You should've said "no"
