

(Yeah)

Fill in the gaps

| walked through the door with you | Maybe we got lost in translation |
|--|---|
| The air was cold | Maybe I (10) for too much |
| But something 'bout it felt like | But maybe this thing was a masterpiece |
| Home (1) and I | Till you tore it all up |
| _eft my scarf there | Running scared, I was there |
| At your sister's house and you (2) got it | I remember it all too well |
| n your drawer even now | Hey you called me up again |
| (Oh) your sweet disposition | Just to (11) me like a promise |
| And my wide-eyed gaze | So casually (12) in the name of being honest |
| We're singing in a car getting lost upstate | I'm a crumbled up piece of paper lying here |
| Autumn leaves falling down (3) pieces into place | 'Cause I remember it all all |
| And I can (4) it after all these days | Too well |
| And I know it's long (5) and | Time won't fly; it's like I'm paralyzed by it |
| That magic's not here no more | I'd like to be my old (13) again |
| And it might be okay, but I'm not fine at all | But I'm (14) trying to find it |
| Cause here we are again on that little town street | After plaid shirt days and nights |
| You (6) ran the red | When you made me (15) own |
| Cause you were looking over at me | Now you mail back my things |
| Nind in my hair, I was there | And I walk (16) alone |
| remember it all too well | But you keep my old scarf |
| Photo album on the counter | From that very first week |
| Your cheeks were turning red | Cause it reminds you of innocence |
| You (7) to be a (8) kid | And it smells (17) me |
| Nith glasses in a twin-sized bed | You can't get rid of it |
| Your mother's telling (9) 'bout you | 'Cause you remember it all too well |
| On the t-ball team | (Yeah) |
| You tell me about your past | 'Cause there we are again when I loved you so |
| Thinking your future was me | Back (18) you lost |
| And I know it's long gone | The one (19) thing you've ever known |
| And there was nothing else I could do | It was rare, I was there |
| And I forget about you long enough | I remember it all too well |
| To forget why I needed to | Wind in my hair, you (20) there |
| Cause here we are again | You remember it all |
| n the middle of the night | Down the stairs, you (21) there |
| We're dancing round the kitchen | You (22) it all |
| n the refrigerator light | It was rare, I was there |
| Down the stairs, I was there | I remember it all too well |
| remember it all too well | |
