Nobody knows	Of always knowing my name
Nobody knows but me	But I (6) nobody knows
That I sometimes cry	No no
If I (1) pretend (2) I'm asleep	Nobody knows no no no no
When my tears start to fall	Baby
I peek out from behind these walls	(Oh) the secret's safe with me
I think nobody knows	There's (7) else in the world
Nobody knows no	That I could ever be (oh)
Nobody likes	And baby
Nobody likes to lose their inner voice	Don't it feel like I'm all alone
The one I used to hear before my life	Who's gonna be there
Made a choice	After the last angel has flown
But I think nobody knows	And I've lost my way back home
No no	And (oh) no no no
Nobody knows	Nobody knows
No	No no no no no
Baby	Tomorrow I'll be there my friend
(Oh) the secret's safe with me	I'll (8) up and start all over again
There's nowhere else in the world	When everybody else is gone
That I could ever be	No no no
And baby	Nobody knows
Don't it (3) like I'm all alone	Nobody knows the (9) of my heart
Who's gonna be there	The way I do when I'm lying in the dark
After the last (4) has flown	And the world is asleep
And I've lost my way back home	I think nobody knows
I think nobody knows no	Nobody knows
I said nobody knows	Nobody knows but me
Nobody cares	Me
It's win or lose not how you play the game	
And the (5) to darkness has a way

- 3. feel
- 4. angel
