

Fill in the gaps

There's still a little bit of your taste	Stones taught me to fly
In my mouth	Love taught me to lie
There's still a little bit of you laced	So come on courage
With my doubt	Teach me to be shy
It's still a little hard to say	'Cause it's not hard to fall
What's (1) on	When you know that you just don't know
There's still a little bit of your ghost	Stones taught me to fly
Your witness	Love taught me to lie
There's still a (2) bit of your face	So come on courage
I haven't kissed	Teach me to be shy
You step a little closer each day	'Cause it's not (6) to fall
That I can't say what's going on	When you float (7) a cannonball
Stones taught me to fly	(Stones taught me to fly)
Love taught me to lie	Love taught me to cry
Life taught me to die	So come on courage
So it's not hard to fall	Teach me to be shy
When you float like a cannonball	'Cause it's not hard to fall
There's still a (3) bit of your song	And I don't wanna scare him
In my ear	It's not hard to fall
There's (4) a little bit of your words	And I don't wanna lose
I (5) to hear	It's not hard to fall
You step a little closer to me	When you (8) (9) a cannonball
So close I can't see what's going on
