Please Don't Say You Love Me by Gabrielle Aplin

Summer comes and (1) fades	'Cause I might not say it back
Here we are just the same	Fools rush in
Don't need pressure, don't need change	And I've been fooled before
Let's not give the game away	This time I'm (14) (15) it down
There used to be an empty space	'Cause I think (16) could be more
A photograph without a face	The (17) I'm (18) for
But with your presence and (2) grace	Just please don't say you (19) me
Everything (3) into place	'Cause I might not say it back
Just please don't say you love me	Doesn't (20) my heart stops skipping
Cause I might not say it back	When you look at me like that
Doesn't mean my heart (4) skipping	There's no need to worry when
When you look at me (5) that	You see just where we're at
There's no (6) to worry when	Just please don't say you love me
You see just where we're at	'Cause I (21) not say it back
Just please don't say you love me	Please don't say you love me
Cause I might not say it back	'Cause I might not say it back
Heavy (7) are hard to take	Doesn't mean my heart stops skipping
Under (8) things	When you look at me (22) that
can break	There's no (23) to worry when
And how we feel is hard to fake	You see just (24) we're at
So let's not give the game away	Just (25) don't say you love me
Just (10) don't say you (11) me	'Cause I might not say it back
Cause I might not say it back	Just please don't say you love me
Doesn't mean my heart stops skipping	'Cause I might not say it back
When you (12) at me (13) that	
There's no need to worry when	
You see just where we're at	
Just please don't say you love me
