## Please Don't Say You Love Me by Gabrielle Aplin

Summer (1) and winter fades	'Cause I might not say it back
Here we are just the same	Fools rush in
Don't need pressure, don't need change	And I've been fooled before
Let's not give the game away	This time I'm gonna slow it down
There used to be an (2) space	'Cause I (9) this (10) be more
A photograph without a face	The thing I'm looking for
But with your presence and (3) grace	Just please don't say you love me
Everything falls into place	'Cause I might not say it back
Just (4) don't say you love me	Doesn't mean my heart stops skipping
'Cause I might not say it back	When you look at me like that
Doesn't mean my heart stops skipping	There's no need to worry when
When you look at me like that	You see just where we're at
There's no need to worry when	Just please don't say you love me
You see just where we're at	'Cause I might not say it back
Just please don't say you love me	Please don't say you love me
'Cause I might not say it back	'Cause I might not say it back
Heavy words are hard to take	Doesn't mean my heart stops skipping
Under pressure precious (5) can break	When you look at me like that
And how we feel is (6) to fake	There's no need to worry when
So let's not (7) the game away	You see just where we're at
Just please don't say you love me	Just please don't say you love me
'Cause I might not say it back	'Cause I might not say it back
Doesn't mean my heart stops skipping	Just please don't say you love me
When you look at me like that	'Cause I might not say it back
There's no need to (8) when	
You see just where we're at	
Just please don't say you love me
