

Fill in the gaps

There's (1) a little bit of your taste	I long to hear
n my mouth	You (14) a (15) closer to me
There's still a (2) bit of you laced	So close (16) I can't see what's (17)
Nith my doubt	on
t's (3) a little hard to say	Stones (18) me to fly
Vhat's (4) on	Love, it taught me to lie
There's still a (5) bit of (6) ghost	Life, it taught me to die
our weakness	So it's not hard to fall
There's still a little bit of (7) face	When you (19) like a cannon
haven't kissed	Stones (20) me to fly
ou (8) a little closer each day	And (21) me to cry
That I can't say what's going on	So (23) on courage
Stones (9) me to fly	Teach me to be shy
Love, it taught me to lie	'Cause it's not hard to fall
life, it taught me to die	And I don't wanna scare her
So it's not (10) to fall	It's not (24) to fall
When you (11) like a cannonball	And I don't (25) lose
There's still a little bit of (12) song	It's not hard to grow
n my ear	When you know that you (26) don't know
There's still a (13) bit of your words
