And I (1) it to you in a (2) bag	Got my blood pumping
Even though it's tarnished	You know you (10) draw more blood, I bleed
You told me it's the best you ever had	So please don't let go 'cause you know
You got my (3) combination	Exactly what we found
And I don't be giving that out easily	So please don't let go, my darling
With my deepest dedication	You keep me hooked up underground
You can tell that you (4) brought the (5)	It's gonna be you (you)
for me	And me (me)
So please don't let go 'cause you know	It's gonna be everything you've ever dreamed
Exactly what we found	It's gonna be who (who)
So please don't let go, my darling	And me (me)
You keep me hooked up underground	It's gonna be everything

And me (me)	In you're big house on the hills
It's gonna be (6) you've ever	Where you keep your Dollar bills
dreamed	And you stashed my heart
It's gonna be who (who)	Somewhere in the dark
And me (me)	Keep it safe I know you will
It's gonna be everything	Know you will, know you will, know you will
And everything we're meant to be	I know you will
We're meant to be
