The Blood That Moves The Body by A-ha

It's the way we feel	It's the way we feel
Tonight	Tonight
As if it's all unreal	
All right	(The (16) (17) moves the body)
My love	(The blood (18) moves the body)
Won't you come (1) to	Not long ago
Our love	It hurt us so
You (2) I'll react to	A tremble through our lives
The blood that (3) my body	The love and care
Now covers the	The way we were
Ground	Now lost it's way at nights
(The blood that moves the body)	It's the way we feel
(The blood that (4) the body)	Tonight
There's nowhere to go	Lend some (19) to our cold
Tonight	And (20) lives
Lend (5) warmth to our cold	My love
And lonely lives	Won't you come (21) to
Red stains	Our love
On "Eyes of a (6) dog"	You know we'll (22) to
My pains	The blood (23) moved our bodies
Fade as the (7) fog	Now covers the ground
The (8) (9) (10) my	Now covers the ground
body	Covers the ground
Now (11) the	(The blood (24) moves the body)
Ground	Covers the ground
(The (12) that (13) the body)	(The blood (25) moves the body)
(The (14) that (15) the body)	Covers the ground
Not long ago	(The blood that moves the body)
It hurt us so	(The blood that (26) the body)
A tremble through our lives	
The love and care
