Nowhere Fast by Fire Inc.

Fill in the gaps

_ying in your bed and on a Saturday night	Let's go runnin' on the back of the wind
You're sweatin' buckets and it's not even hot	There's gotta be some action on the face of the eart
But your brain has got the message	And I've gotta see your face once again
And it's sending it out	And I don't know where I ever got
To every nerve and every muscle you've got	The bright idea that I was cool
You've got so many dreams	So alone and independent
That you don't know where to put 'em	But I'm depending on you now
So you'd (1) turn a few of 'em loose	And you'll always be the only thing
Your body's got a feeling that it's (2) to	That I just can't be without
rust	And I'm out for you tonight
You'd better rev it up and put it to use	I'm comin' out for you tonight
And I don't know how I ever thought	Even if you don't have anywhere to go
That I (3) make it all alone	You go down on the pedal
When you only make it better	And you're ready to roll (ready to roll)
And it better be tonight	Even if you don't have anywhere to go
And we'll fly away on those (4) wings of chrome	You go down on the pedal and you're ready to roll
n your daddy's car	And your speed is all you'll ever need
Naiting there for you tonight	All you'll ever need to know
'Il be there for you tonight	Darlin', Darlin'
And if you don't have (5) to go	You and me we're goin' nowhere slowly
You go down on the pedal and you're (6) to roll	And we've gotta get away from the past
And even if you don't have anywhere to go	There's nothin' wrong with goin' nowhere, baby
You go down on the pedal and you're ready to roll	But we should be goin' nowhere fast
And your speed is all you'll ever need	Everybody's goin' nowhere slowly
All you'll ever need to know	They're only fighting for the chance to be last
Darlin', darlin'	There's nothin' wrong with goin' nowhere, baby
You and me we're goin' nowhere slowly	But we should be goin' nowhere fast
And we've gotta get away from the past	Godspeed
There's nothin' wrong with goin' nowhere, baby	Godspeed
But we should be goin' nowhere fast	Godspeed, speed us away!
Everybody's goin' nowhere slowly	Godspeed
They're only (7) for the chance to be last	Godspeed
There's nothin' wrong with goin' nowhere, baby	Godspeed, speed us away!
But we should be goin' nowhere fast	Godspeed
t's so much better goin' nowhere fast	Godspeed
Stalkin' in the shadows by the light of the moon	Godspeed, (10) us away!
t's like a prison and the night is a cell	
Goin' anywhere has gotta be heaven tonight	
Cause stayin' here has gotta be hell
