

Dyin' in the city like a fire on the water

## Fill in the gaps

Lying in (1) bed and on a Saturday night	Let's go runnin' on the back of the wind	
You're sweatin' buckets and it's not even hot	There's gotta be some action on the (8)	of the
But your brain has got the message	earth	
And it's sending it out	And I've gotta see your face once again	
To every (2) and every muscle you've got	And I don't know where I ever got	
You've got so (3) dreams	The bright idea that I was cool	
That you don't (4) where to put 'em	So alone and independent	
So you'd better turn a few of 'em loose	But I'm depending on you now	
Your body's got a feeling that it's starting to rust	And you'll always be the only thing	
You'd better rev it up and put it to use	That I just can't be without	
And I don't know how I ever thought	And I'm out for you tonight	
That I could make it all alone	I'm comin' out for you tonight	
When you only make it better	Even if you don't have anywhere to go	
And it better be tonight	You go down on the pedal	
And we'll fly away on those angel wings of chrome	And you're ready to roll (ready to roll)	
In your daddy's car	Even if you don't have anywhere to go	
Waiting there for you tonight	You go down on the pedal and you're ready to roll	
I'll be there for you tonight	And your speed is all you'll ever need	
And if you don't have anywhere to go	All you'll ever need to know	
You go down on the pedal and you're ready to roll	Darlin', Darlin'	
And even if you don't have anywhere to go	You and me we're goin' nowhere slowly	
You go down on the pedal and you're ready to roll	And we've gotta get away from the past	
And your speed is all you'll ever need	There's nothin' wrong with goin' nowhere, baby	
All you'll ever need to know	But we should be goin' nowhere fast	
Darlin', darlin'	Everybody's goin' nowhere slowly	
You and me we're goin' nowhere slowly	They're only fighting for the chance to be last	
And we've gotta get away from the past	There's nothin' wrong with goin' nowhere, baby	
There's nothin' wrong with goin' nowhere, baby	But we (9) be goin' nowhere fast	
But we should be goin' nowhere fast	Godspeed	
Everybody's goin' nowhere slowly	Godspeed	
They're only fighting for the (5) to be last	Godspeed, speed us away!	
There's nothin' wrong with goin' nowhere, baby	Godspeed	
But we should be goin' nowhere fast	Godspeed	
It's so much better goin' nowhere fast	Godspeed, speed us away!	
Stalkin' in the shadows by the light of the moon	Godspeed	
It's like a prison and the (6) is a cell	Godspeed	
Goin' anywhere has gotta be heaven tonight	Godspeed, speed us away!	
Cause stayin' here has (7) be hell
