

## Fill in the gaps

	Not to (15) but to share in the view
Walking (1) tonight 'cause	You're a bonfire and I'm gathered 'round you
've only got (2) for two	Set this old black heart (16) aflame
Me and my (3) black heart	Send it away
t's all we know how to do	Send it away
Yet I (4) for a bigger bang	Send it away
Than the kind I continually see	Send it away
Sick of all this (5) I want you to mend me	Send it (17) (send it away)
_over, can you help me?	Send it (18) (send it away)
'm a child lost in the woods	Send it away (send it away)
A black heart (6) me and I think	Send it away (send it away)
You're a mountain that I'd (7) to climb	You're a (19) that I'd (20) to
Not to conquer but to share in the view	climb
Pulled by a false inertia	Not to conquer but to share in the view
Pushed out by circumstance	You're a bonfire and I'm (21) 'round you
Pistol firing at my (8) that's	Set (22) old (23) (24)
Coercing me to dance	inertia aflame
Yet I look for a (9) bang	Set it aflame, send it away
Than the kind I'm sorry to know	Set it aflame, send it away
Here I am first (10) of the climb, watch me go	Set it aflame, send it away
_over, can you (11) me?	Set it aflame, send it away
'm a (12) lost in the woods	Set it aflame, send it away
A lit (13) eludes me and I think	Set it aflame, send it away
You're a mountain (14) I'd like to climb
