## Black Heart Inertia by Incubus

You're a mountain that I'd like to climb

## Fill in the gaps

	Not to conquer but to share in the view
Walking alone tonight 'cause	You're a bonfire and I'm gathered 'round you
I've only got (1) for two	Set this old black heart inertia aflame
Me and my burdened black heart	Send it away
It's all we know how to do	Send it away
Yet I (2) for a bigger bang	Send it away
Than the kind I continually see	Send it away
Sick of all (3) (4) I want you to	Send it away (send it away)
mend me	Send it away (send it away)
Lover, can you help me?	Send it away (send it away)
I'm a (5) lost in the woods	Send it away (send it away)
A black heart pollutes me and I think	You're a mountain that I'd like to climb
You're a mountain (6) I'd like to climb	Not to conquer but to share in the view
Not to conquer but to share in the view	You're a bonfire and I'm gathered 'round you
Pulled by a false inertia	Set this old black heart inertia aflame
Pushed out by circumstance	Set it aflame, (9) it away
Pistol (7) at my feet that's	Set it aflame, send it away
Coercing me to dance	Set it aflame, send it away
Yet I look for a bigger bang	Set it aflame, send it away
Than the kind I'm sorry to know	Set it aflame, send it away
Here I am first foot of the climb, watch me go	Set it aflame, send it away
Lover, can you help me?	
I'm a (8) lost in the woods	
A lit path eludes me and I think	

- 1. room
- 2. look
- 3. this
- 4. inertia
- 5. child
- 6. that
- 7. firing
- 8. child
- 9. send

## Fill in the gaps
