

## How the time passed away All the trouble that we gave And all those days we spent out by the lake Has it all gone to waste? All the (1)\_\_\_\_\_\_ we made One by one (2)\_\_\_\_\_ vanished just the same All the things I still remember Summers never looked the same Years go by and time (3)\_\_\_\_\_ seems to fly But the memories remain In the middle of September We still played out in the rain Nothing to lose but everything to gain Reflecting now on how things could've been

Reach for something that's already gone, yeah All the things I still remember Summers never look the same

So we made our way by finding what was real

It was worth it in the end Now it all seems so clear There's nothing left to fear

Now the days are so long That summer's moving on

## Fill in the gaps

Years go by and time just (4) to fly
But the memories remain
In the middle of September
We (5) out in the rain
Nothing to lose but everything to gain
Reflecting now on how things could've been
It was worth it in the end
Yeah, We knew we had to leave this town
But we never (7) when and we never knew how
We would end up here the way we are
We knew we had to leave this town
But we never knew when and we never knew how
All the things I still remember
Summers never look the same
Years go by and time just seems to fly
But the memories remain
In the (8) of September
We still played out in the rain
Nothing to (9) but everything to gain
Reflecting now on how things could've been
It was worth it in the end
