

September by Daughtry

How the time (1)_____ away
All the trouble that we gave
And all those days we spent out by the lake
Has it all gone to waste?
All the (2)_____ we made
One by one they vanished just the same
All the things I still remember
Summers never looked the same
Years go by and time just seems to fly
But the memories remain
In the middle of September
We (3)_____ played out in the rain
Nothing to (4)_____ but everything to gain
Reflecting now on how (5)_____ could've been
It was worth it in the end
Now it all (6)_____ so clear
There's nothing left to fear
So we made our way by finding what was real
Now the days are so long
That summer's moving on
Reach for something that's already gone, yeah
All the things I (7)_____ remember
Summers (8)_____ look the same
