How the time (1) away	rears go by and time (9) seems to fly
All the trouble that we gave	But the memories remain
And all those days we spent out by the lake	In the (10) of September
Has it all (2) to waste?	We still played out in the rain

Now it all seems so clear	Summers (19) look the same
There's nothing left to fear	Years go by and (20) just (21) to fly
So we made our way by (5) what was real	But the (22) remain
Now the days are so long	In the middle of September
That summer's moving on	We still (23) out in the rain
Reach for (6) that's	Nothing to lose but everything to gain
(7) gone, yeah	Reflecting now on how things could've been
All the things I still remember	It was (24) it in the end
Summers never (8) the same
