Over You by Daughtry

Now that it's all (1)_____ and done
I can't believe you were the one
To build me up then tear me down
Like an old (2)_____ house
And what you said (3)_____ you left
Just left me cold and out of breath
I fell too far, was in way too deep
Guess I let you get the best of me...
Well, I never saw it coming
I should've started running
A long, long (4)_____ ago
And I never thought to doubt you
I'm better off without you
More than you, more than you know
I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm picking up the pieces
I'm spending all of these years
Putting my heart back together
'Cause the day I (5)_____ I'd never get through
I got over you
You took a hammer to these walls
Dragged the memories down the hall
Packed your bags and walked away
There was nothing I could say
And when you slammed the front door shut
A lot of (6)_____ opened up
So did my eyes so I could see
That you never were the best for me
Well, I never saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off (7)_____ you
More than you, more than you know

I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm picking up the pieces
I'm spending all of these years
Putting my heart (8)_____ together
'Cause the day I thought I'd never get through
I got over you
Well, I never saw it coming
I should've started running
A long, long time ago
And I never (9)_____ to doubt you
I'm better off without you
More than you, more than you know
I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm picking up the pieces
I'm spending all of these years
Putting my heart back together
I'm putting my heart back together
'Cause I got over you...
I got over you
I got over you
'Cause the day I thought I'd never get through
I got (10)_____ you
