

## Fill in the gaps

Now that it's all said and done	I'm slowly (17) closure
I can't believe you (1) the one	I guess it's really over
To build me up (2) (3) me down	I'm finally getting better
Like an old abandoned house	Now I'm (18) up the pieces
And what you said (4) you left	I'm spending all of these years
Just left me cold and out of breath	Putting my heart back together
I (5) too far, was in way too deep	'Cause the day I (19) I'd never get through
Guess I let you get the best of me	l got (20) you
Well, I never saw it coming	Well, I (21) saw it coming
I should've started running	I should've started running
A long, long time ago	A long, long time ago
And I (6) thought to doubt you	And I never (22) to doubt you
I'm better off without you	I'm better off without you
More than you, (7) than you know	More than you, (23) than you know
I'm slowly getting closure	Well, I (24) saw it coming
I guess it's really over	I should've started running
I'm finally getting better	A long, (25) time ago
Now I'm picking up the pieces	And I never thought to doubt you
I'm spending all of these years	I'm better off without you
Putting my (8) back together	More than you, more than you know
'Cause the day I thought I'd never get through	I'm slowly (26) closure
I got (9) you	I guess it's really over
You took a hammer to these walls	I'm finally (27) better
Dragged the memories down the hall	Now I'm picking up the pieces
Packed your bags and walked away	I'm spending all of these years
There was nothing I could say	Putting my heart back together
And when you slammed the front (10) shut	I'm (28) my heart back together
A lot of others opened up	'Cause I got over you
So did my eyes so I (11) see	I got over you
That you never were the (12) for me	I got over you
Well, I (13) saw it coming	'Cause the day I thought I'd never get through
I should've (14) running	I got over you
A long, (15) ago	
And I never thought to doubt you	
I'm better off without you	
More than you, more than you know
