## The Edge Of Glory by Lady Gaga

If everybody knows my name tonight

## Fill in the gaps

There ain't a reason	Alright, alright
You and me should be alone tonight, yeah, baby	It's time to feel the rush
Tonight, yeah, baby	To push the dangerous
And I got a reason	I'm gonna run right to
That you're who should take me home tonight	To the edge (6) you
I need a man that thinks it's right (1) it's so wrong	Where we can both (7) in love
Tonight, yeah, baby	I'm on the edge of glory
Tonight, yeah, baby	And I'm hanging on a moment of truth
Right on the limits	Out on the edge of glory
Where we know we both belong tonight	And I'm hanging on a moment with you
It's time to (2) the rush	I'm on the edge, the edge
To push the dangerous	The edge, the edge, the edge
I'm gonna run right to	I'm on the edge of glory
To the edge with you	And I'm hanging on a moment with you
Where we can both fall in love	I'm on the edge with you
I'm on the edge of glory	I'm on the edge with you
And I'm hanging on a moment of truth	I'm on the edge with you
Out on the edge of glory	I'm on the edge of glory
And I'm hanging on a (3) with you	And I'm hanging on a moment of truth
I'm on the edge, the edge	I'm on the edge of glory
The edge, the edge, the edge	And I'm hanging on a moment with you
I'm on the (4) of glory	I'm on the edge, the edge
And I'm hanging on a moment (5) you	The edge, the edge, the edge
I'm on the edge with you	I'm on the edge of glory
Another shot before we kiss the other side	And I'm hanging on a moment (8) you
Tonight, yeah, baby	I'm on the edge with you
Tonight, yeah, baby	With you, with you, with you
I'm on the edge	I'm on the edge with you
Of something final we call life tonight	With you, (9) you, with you, with you
Alright, alright	I'm on the edge with you
Put on your shades	With you, with you, with you
Cause I'll be dancing in the flames	I'm on the edge with you
Tonight, yeah, baby	With you, with you, (10) you, with you.
Tonight, yeah, baby
