## Ships In The Night by Mat Kearney

_ike ships in the night	And I'm at the airport waiting on a (13) plane
You keep passing me by	Had to pack and you had (14) and I was late
Ne're just wasting time	Headed to a red carpet they won't know my name
Trying to prove who's right	Riding in silence all that we wanna say
And if it all goes crashing into the sea	About to board when you call on the phone
f it's just you and me	You say "I'm sorry, I'll be waiting at home"
Trying to (1) the light	Feels like we're learning this out on our own
Like ships in the (2) letting cannon	Trying to find a way (15) the road we don't know
(3) fly	Turn the (16) down low
Say what you mean and it turns to a fight	Walk these halls alone
Fist fly from my (4) as it turns south	We can feel so far from so close
You're down the driveway	Like ships in the night
'm on the couch	You keep passing me by
Chasing your dreams (5) the violent 5th grade	We're (17) wasting time
Trying to (6) in your silent own way	Trying to prove who's right
Cause we'll be ok	And if it all (18) crashing (19) the sea
'm not going away	If it's (20) you and me
Like you (7) at fourteen	Trying to find the light
As it went (8) the drain	Like ships in the night
And pops stayed the same	You're passing me by
And your moms moved away	You're passing me by
How many of our parents	Like ships in the night
Seem to make it anyway	And I'm gonna find my way
We're just (9) through the grey	Back to (21) side
Trying find a heart that's not (10) away	Like (22) in the night
Turn the (11) down low	You keep passing me by
Walk these halls alone	We're just (23) time
We can feel so far from so close	Trying to prove who's right
Like ships in the night	And if it all (24) crashing into the sea
You keep passing me by	If it's just you and me
We're (12) wasting time	Trying to (25) the light
Trying to prove who's right	Like ships in the night
And if it all goes crashing into the sea	You're passing me by
f it's just you and me	You're passing me by
Trying to find the light	Like (26) in the night
Like ships in the night	
You're passing me by	
You're passing me by
