

## Fill in the gaps

There's a place off (1) Avenue	if i (11) find you now
Where I used to sit and talk (2) you	Things would get better
We were both 16 and it (3) so right	We (12) (13) this town
Sleeping all day, staying up all	And run forever
Night	I (14) somewhere, somehow
Staying up all	We'll be together
Night	Let your waves crash down on me
There's a place on the corner of Cherry Street	And take me away, yeah
We would (4) on the beach in our bare feet	I (15) the (16) in your eyes
We were both 18, and it felt so right	When I told you (17) this was goodbye
Sleeping all day, staying up all	You (18) begging me not tonight
Night	Not here
Staying up all	Not now
Night	We're looking up at the same (19) sky
If I could (5) you now	And keep (20) the sun will not rise
Things (6) get better	We'll be together for one more night
We could (7) this town	Somewhere, somehow
And run forever	If I could (21) you now
Let your waves crash down on me	Things would get better
And (8) me away, yeah yeah	We (22) (23) this town
There's a piece of you that's (9) with me	And run forever
It's everywhere I go, it's (10) I see	I (24) somewhere, somehow
When I sleep, I dream and it gets me by,	We'll be together
I can make believe, that you're here	Let your (25) crash down on me
Tonight	And take me away, yeah yeah
That you're here	
Tonight
