

Maybe talk to God like

He is there

Fill in the gaps

Traffic crawls	(Oh) I know he is there
Cell phone calls	Yeah, I know he's there
Talk (1) screams at me	Hello world
Through my (2) window I see	How've you been?
A little girl	Good to see you my old friend
Rust red minivan	Sometimes I feel
She's got	As cold as steel
Chocolate on her face	And broken like I'm never going to heal
Got little hands	I see a light
And she waves at me	A little grace
Yeah, she smiles at me	A little faith unfurled
Hello world	Hello world
How've you been?	Sometimes I forget what living's for
Good to see you my old friend	And I hear my life (5) my front doo
Sometimes I feel	And I'll be there
Cold as steel	(Oh) I'm home again
Broken like I'm never gonna heal	I see my wife
I see a light	My little boy
A little hope	Little girl
In a little girl	Hello world
Hello world	Hello world
Every day I (3) by	All the empty disappears
A (4) white church	I remember why I'm here
It's got these	Just (6) and believe
Little white crosses	I (7) down on my knees
Like angels in the yard	(Oh) (8) world
Maybe I should	Hello world
Stop on in	Hello world
Say a prayer
