

Fill in the gaps

I (1) of you and all you've done	You told me to let go
Tell me do you see me or have I gone?	And I had my (14) closed
While the whitest (2) are (3)	Why (15) you wake me
tears	If you're not gonna save me?
Have you just (4) me here?	You make me want you
I need to rush, the timing's wrong	And I didn't want to
But in another year, I (5) be gone	Why (16) you (17) me
In another time, in another place	If you're not gonna save me?
Would I (6) wake?	(Oh) so (18) talk to me
You (7) me to let go	Talk to me
And I had my eyes closed	(Oh) the (19) I (20) are neve
Why would you wake me	meant to be
If you're not gonna (8) me?	Talk to me
You make me want you	Please don't go
But I didn't want to	You told me to let go
Why would you (9) me	And I had my eyes closed
If you're not gonna save me?	Why would you wake me
I didn't know what you've become	If you're not (21) (22) me?
I never thought (10) I'd see you run	You make me (23) you
Should have let me sleep	And I didn't (24) to
No you didn't need to be (11) me	Why (25) you (26) me
It's chemical, you were never mine	If you're not gonna (27) me?
When I needed you, couldn't even fight	You (28) never ready to save me
In (12) time, in (13)	_
place	
Would I even wake?
