

To anyone standing alone

Fill in the gaps

(Get ready for action!)	On the street with a cigarette
I got to regret right now (I'm (1) this)	On the first night we met
The air is so cold and (2) (I'm feeling this)	Look to the past
Let me go in her room (I'm feeling this)	And remember her smile
I wanna (3) off her (4) (I'm	And maybe tonight
feeling this)	I can breathe for a while
Show me the way to bed (I'm feeling this)	I'm not in the seat
Show me the way you (5) (I'm feeling this)	I think I'm fallin' asleep
**** it, it's such a blur (I'm feeling this)	But then all that it means is
I love all the (6) you do (I'm feeling this)	I'll always be dreaming of you
Fate fell short this time	Fate fell short this time
Your smile fades in the summer	Your smile (17) in the summer
Place (7) hand in mine	Place (18) hand in mine
I'll leave when I wanna	I'll leave when I wanna
Where do we go from here?	Fate fell (19) this time
Turn all the (8) down now	Your smile fades in the summer
Smiling from ear to ear (I'm (9) this)	Place (20) hand in mine
Our breathing has got too loud (I'm feeling this)	I'll leave when I wanna
Show me the bedroom (10) (I'm feeling this)	Fate fell (21) this time
Show me the bathroom mirror (I'm feeling this)	Your (22) fades in the summer
We're taking this way too slow (I'm feeling this)	Place your hand in mine
Take me away from here (I'm (11) this)	I'll leave when I wanna
Fate (12) short this time	Fate fell (23) (24) time
Your smile fades in the summer	Your smile fades in the summer
Place your (13) in mine	Place your hand in mine
I'll leave when I wanna	I'll leave when I wanna
Fate fell short this time	Fate (25) short this time
Your smile fades in the summer	Your smile fades in the summer
Place (14) hand in mine	Place your hand in mine
I'll leave when I wanna	I'll leave when I wanna
This place was (15) the same again	
After you (16) and went	
How can you say you meant anything different
