The Pursuit Of Vikings by Amon Amarth

The warming sun returns again	A ram is sacrificed
And melts away the snow	Across the longship's bow
The sea is freed from icy chains	And as we set our sails
Winter is letting go	A strong breeze starts to blow
Standing on the ocean side	It carries us out to sea
We can (1) the waves	With (5) of fame and pride
Calling us out with tide	And glorious all (6) be
To sail into our fate	That with sword in hand will die
Oden!	Oden!
Guide our ships	Guide our ships
Our axes, spears and swords	Our Axes, spears and swords
Guide us (2) (3) that whip	Guide us through (7) that whip
And in brutal war	And in brutal war
Our ships await us by the shore	Oden!
Time has come to leave	Guide our ships
Our country, family and homes	Our Axes, (8) and swords
For (4) in the east	Guide us through (9) that whip
Some of us won't return	And in (10) war
But that won't bring us down
