

## Fill in the gaps

Can you imagine someone being true				
Turn 'round and put himself in front of you				
Sometimes it's fun but then you (1) know				
How far a thing like this might go				
All my (2) I've waited for a chance				
To get right out of here				
And when I had it in my hands				
I could not let it go				
We've got the power, we are divine				
We (3) the guts to follow the sign				
Extracting tension from sources unknown				
We are the ones to cover the throne				
Try if you can to come where we have gone				
You may achieve what can't be simply done				
Look back and (4) you are where we have been				
And (5) there's so much inbetween				
All those years I've travelled 'round this world				

Now I am standing here				
To make you sing these tunes				
And know they'll never let you go				
We've got the power, we are divine				
We have the guts to follow the sign				
Extracting tension (6) sources unknown				
We are the ones to cover the throne				
We've got the power, we are divine				
We (7) th	ne guts to (8	)	the sign	
Extracting tension from sources unknown				
We are the ones to cover the throne				
We've got the power, we are divine
