## Can't Hate You Anymore by Nick Lachey

An empty room can be so deafening	I gave and gave the best of me
The silence makes you wanna scream	But couldn't give you what you need
It drives you crazy	You walked away, you stole my life
I chased (1) the shadows of your name	Just to find what you're (8) for
And burned the picture in a frame	But no matter how I try
But it couldn't save me	I can't hate you anymore
And how could we quit something	Sometimes you hold so tight
We never even tried	It slips right through your hands
Well you still can't tell me why	Will I ever understand?
We built it up to watch it fall	We built it up to watch it fall
Like we meant (2) at all	Like we meant nothing at all
I gave and (3) the (4) of me	I gave and gave the best of me
But couldn't give you what you need	But couldn't give you (9) you need
You walked away, you stole my life	You walked away, you stole my life
Just to find what you're looking for	Just to find what you're looking for
But no matter how I try	But no matter how I try
I can't hate you anymore	I can't hate you anymore
I can't hate you anymore	We built it up to watch it fall
You're not the (5) (6) you used to	Like we meant nothing at all
be	I gave and gave the best of me
The one I want who wanted me	But couldn't give you what you need
And that's a shame but	You walked away, you stole my life
There's only so many tears that you can cry	Just to find what you're looking for
Before it drains the light right (7) your eyes	But no matter how I try
And I can't go on that way	I can't hate you anymore
And so I'm letting go of everything we were	
It doesn't mean it doesn't hurt	
We built it up to watch it fall
