## What's Left Of Me by Nick Lachey

## Fill in the gaps

Watched my life pass me by	Falling faster
In the rearview mirror	Barely breathing
Pictures (1) in time	Give me somethin to believe in
Are becoming clearer	Tell me it's not all in my head
I don't wanna (2) (3) day	Take what's left of this man
Stuck in the (4) of my mistakes, yeah	Make me whole once again
'Cause I (5) you	'Cause I (15) you
And I feel you	And I feel you
Crawling (6) my skin	Crawling underneath my skin
Like a hunger, like a burning	Like a hunger, like a burning
To (7) a place I've never been	To find the place I've (16) been
Now I'm broken, and I'm faded	Now I'm broken, and I'm faded
I'm half the man I thought I would be	I'm half the man I thought I (17) be
But you can have	You can have, all that's left
What's (8) of me	
I've been (9) inside	What's (18) of me
Little by little	
Nowhere to go	l've (19) (20) (21)
I'm going outta my mind	you see
An (10) circle	I'm goin outta my (22) (outta my mind)
Runnin from (11) until	I'm just (23) in circles all the time
You gave me a reason for standing still	Will you take what's left?
And I want you	Will you take what's left?
And I feel you	Will you take what's left?
Crawling underneath my skin	I'm (24) runnin' in circles in my mind
Like a hunger, like a burning	Will you take what's left?
To find a (12) I've (13) been	Will you take what's left?
Now I'm broken, and I'm faded	Will you take what's left?
I'm half the man I (14) I would be	Will you take what's (25) of me?
But you can have	
What's left of ma
