

I tried to earn my way

Fill in the gaps

If shame had a face	I tried to tame this mind
I (1) it would kind of (2) like mine	You better believe that I have tried
If it had a home would it be my eyes	To beat this
Would you believe me if I said I'm tired of this	So when will this end
Well here we go now one more time	It goes on and on
Cause I (3) to climb your steps	Over and over again
I tried to chase you down	Keep spinning around
I tried to see	I know that it won't stop
How low I can get (4) to the ground	'Till I step down from this
I tried to earn my way	Sick cycle carousel
I tried to tame this mind	This is a sick cycle, yeah
You better believe that I have tried	Sick cycle carousel
To beat this	This is a (8) cycle, yeah
So when (5) this end	
It goes on and on	So when will this end
Over and over again	It goes on and on
Keep spinning around	Over and (9) and over again
I know that it won't stop	Keep spinning around
Till I step down from this for good	I know that it won't stop
I never thought I'd end up here, never	'Till I step down from this for good
Thought I'd be standing (6) I am	Sick cycle carousel
I guess I kind of thought	Sick cycle carousel
That it (7) be easier than this	Sick cycle carousel
I guess I was wrong now one more time	Sick cycle carousel
Cause I tried to climb your steps	Sick cycle carousel
I tried to chase you down	Sick cycle carousel
I tried to see	Sick cycle
How low I can get down to the ground
