

## Fill in the gaps

Johnny, take a walk (1) your sister the moon	She moves in mysterious ways
Let her pale light in, to fill up your room	It's alright, (6) alright, alright
You've been living underground, eating from a can	Lift my days, light up my nights (oh)
You've (2) running away	One day you'll look back, and you'll see
From what you don't understand	Where you were held now by this love
She's slippy, you're (3) down	While you could stand there
She'll be there (4) you hit the ground	You (7) move on this moment
It's alright, it's alright, alright	Follow this feeling
She moves in mysterious ways	It's alright, (8) alright, alright
It's alright, it's alright, alright	She moves in mysterious ways
She moves in mysterious ways (oh)	It's alright, it's alright, alright
Johnny, take a dive with your sister in the rain	She moves in mysterious ways
Let her talk about the things you can't explain	It's alright, (9) alright, alright
To touch is to heal, to hurt is to steal	(Move you, spirits move you)
If you want to kiss the sky, better (5) how to	(Move, (10) 'its move you, oh yeah)
kneel	Does it move you?
On your knees, boy!	She moves with it
She's the wave, she turns the tide	Lift my days, and light up my nights (oh)
She sees the man inside the child	
It's alright, it's alright, alright	
She moves in mysterious ways	
It's alright, it's alright, alright
