Where The Streets Have No Name (Live) by U2

Amazing grace
How sweet the sound
That saved
A wretch
Like me
I once
Was lost
Though now
I'm found
I was blind
But now
I see
I was blind
But now
I see
...
(Come on, come on)
I wanna run
I want to hide
I wanna tear down the walls
That hold me inside
I wanna reach out
And touch the flame
Where the streets have no name
I wanna feel
Sunlight on my face
I see the dust-cloud disappear
Without a trace
I wanna take shelter
From hurricane
Where the (1)_____ have no
Name
Where the streets have no name
Where the streets (2)_____ no name
We're still building and burning down love
Burning down love

And when I go there
I go (3)_____ with you
It's all I can do
The city's a flood
And our (4)_____ (5)_____ to rust
We're beaten and blown by the wind
Trampled in dust
I'll show you a place
It's high
High
Where the streets have no
Name
Where the streets have no name
Where the (6)_____ have no name
We're still building and (7)_____ down love
Burning down love
And when I go there
I go there with you (to other place)
It's all I can do
...
Love, love, love
Only love
Where the streets have no name
Where the (8)_____ (9)_____ no name
We're still building and burning down love
Burning (10)_____ love
And when I go there
I go there with you
It's all I can do
Love
We are love
We are love
Africa rising
