Where The Streets Have No Name by U2

...

I want to run

I want to hide

I want to tear (1)_____ the walls

That (2)_____ me inside

I want to reach out

And (3)_____ the flame, yeah

Where the streets (4)_____ no name

I want to feel sunlight on my face

I see the dust cloud disappear

Without a trace

I wanna take shelter

From the poison rain, yeah

Where the streets have no name

...

Where the (5)_____ have no name

Where the streets have no name

We're still building, then burning down love

Burning down love

And when I go there

I go there with you

It's all I can do

The (6)_____ a flood

And our love turns to rust

We're beaten and (7)_____ by the wind

Trampled in dust

I'll show you a place

High on a desert plain

Where the streets have no name

...

Where the streets have no name

Where the streets have no name

We're still building, then burning down love

Burning down love

And when I go there

I go there with you

It's all I can do

Our love turns to rust

We're beaten and blown by the wind

Blown by the wind...

See our love (8)_____ to rust
