Sunshine	So, baby, what if I can't forget you?
There ain't a thing (1) you can do	(What if I can't forget you?)
That's gonna ruin my night	Collide invisible lips like a shadow on the wall
(But, there's just something about)	And just throw, oh no
This dizzy dreamer and her bleeding little blue boy	You can't just throw me away
Licking your fingers like you're done and	So, what if I can't forget you?
You've decided (2) is so much more than me	I'll burn your name into my throat
And baby, honestly	I'll be the fire that'll catch you
It's harder breathing next to you, I shake	What's so good about picking up the pieces?
I brought a gun and as the preacher tried to stop me	What if I don't (8) want to?
Hold my heart it's beating for you anyway	(Oh-oh oh-oh)
What if I can't forget you?	What if I can't forget you?
I'll burn your name into my throat	I'll burn your name into my throat
I'll be the fire that'll catch you	I'll be the fire that'll catch you
What's so good about picking up the pieces?	What's so good about picking up the pieces?
None of the (3) ever light up anymore in this	None of the colors ever light up (9) in this
tione of the (o) ever light up drifflere in this	None of the colors ever light up (5) III this
