

That (6)\_\_\_\_\_ what I need

## Fill in the gaps

Sunshine	So, baby, what if I can't forget you?
There ain't a thing that you can do	(What if I can't forget you?)
That's gonna ruin my night	Collide invisible lips like a shadow on the wall
(But, there's just something about)	And just throw, oh no
This dizzy dreamer and her bleeding little blue boy	You can't just throw me away
Licking your fingers like you're done and	So, what if I can't forget you?
You've decided there is so much more than me	I'll burn your name into my throat
And baby, honestly	I'll be the fire that'll catch you
It's (1) breathing next to you, I shake	What's so good about picking up the pieces?
I brought a gun and as the preacher tried to stop me	What if I don't even (7) to?
Hold my heart it's beating for you anyway	(Oh-oh oh-oh)
What if I can't forget you?	What if I can't forget you?
I'll burn your name into my throat	I'll burn your name into my throat
I'll be the fire that'll catch you	I'll be the fire that'll catch you
What's so good about picking up the pieces?	What's so good about picking up the pieces?
None of the colors ever light up anymore in this hole	None of the colors ever light up anymore in this hole
Nobody prays for the heartless	Just give her back to me
Nobody gives another penny for the selfish	You (8) I can't afford the medicine
You're learning how to taste what you kill now	That feeds what I need
Don't (2) me, I'm just reaching for your necklace	So, baby, what if I can't forget you?
Talking to my mom (3) this little girl	(What if I can't forget you?)
(4) Texas	I'd better learn to (9) alone
What if I can't forget you?	What's so good (10) picking up the pieces?
I'll burn your name into my throat	What's so good about? What's so good about?
I'll be the fire that'll catch you	What's so good about picking up the pieces?
What's so good about picking up the pieces?	(Oh)
None of the colors ever light up anymore in this hole	
Just give her back to me	
You (5) I can't afford the medicine	

- 1. harder
- 2. mind
- 3. about
- 4. from
- 5. know
- 6. feeds
- 7. want
- 8. know
- 9. live
- 10. about
