

I heard the train shake the windows

Fill in the gaps

She sits up high	You screamed over the sound
Surrounded by the sun	And as we own this night
One million branches and she (1) every one	I put your (14) to the (15)
Mom and dad, did you (2) for me?	(16) mine
've been up here so long I'm going crazy	This (17) was out of control
And as the sun (3) down	3-2-1 (18) did it go?
We ended up on the ground	If I were you, I'd put that away
heard the train (4) the windows	See, you're just wasted
You (5) over the sound	And thinking about the (19) again
And as we own this night	Darling you'll be okay
put (6) body to the test with mine	And she said
This love was out of control	If you were me, you'd do the same
3-2-1 where did it go?	'Cause I can't take anymore
Now don't be crazy	I'll draw the (20) and (21) the
Yes now of course you can stay here	door
Been in a (7) band for going on ten years	Everything's not alright and I (22) rather
Big deal, I (8) you're official	And as the sun (23) down
only said it 'cause I know (9) it's like to feel	We ended up on the ground
Burned out	I heard the train shake the windows
t gets you down	You screamed over the sound
We've all been there sometimes	And as we own this night
But (10) I'll make you (11)	I put your body to the (24) with mine
peautiful once again	This love was out of control
And as the sun (12) down	Tell me (25) did it go?
We (13) up on the ground
