

I'd be the one who would slip
Then I started to realize

Fill in the gaps

Met a girl			I was living one big lie
Thought she was grand			She ****** (4) me
Fell in love			Trust she ***** (5) me
Found out first hand			(La, la, la love)
Went well for a week or two			I tried too hard
Then it all came un-glued			And she tore my feelings like I had none
In a trap			And ripped (6) away
Trip I can't grip			That's my story
Never thought			As you see
I'd be the one who would slip			Learned my lesson and so did she
Then I started to realize			Now it's over, and I'm glad
I was (1) one big lie			'Cause I'm a fool for all I've said
She ****** hates me			She ****** hates me
Trust she ****** hates me			Trust she *****' hates me
(La, la, la love)			(La, la, la love)
I tried too hard			I tried too hard
And she tore my (2)	(3)	I had	And she tore my feelings like I had none
none			And (7) them away
And ripped them away			(La, la, la, la, la, la, la, la love)
She was queen for about an hour			Trust
After that			(La, la, la, la, la, la, la, la love)
**** got sour			Trust
She took all I ever had			(La, la, la, la, la)
No sign of guilt			And she (8) my feelings like I had none
No feeling pain, no			Trust
In a trap			She ****** hates me
Trip I can't grip			
Never thought
