# Fill in the gaps

### Same Love by Macklemore & Ryan Lewis

When I was in the third grade				
thought that I was gay				
Cause I could draw, my uncle was				
And I (1) my room straight				
told my mom				
Tears rushing (2) my face				
She's like, Ben you've (3) girls since (4) pre-K				
Tripping				
Yeah, I guess she had a point, didn't she				
A bunch of stereotypes all in my head				
remember doing the (5) like, yeah				
'm good at little league				
A pre-conceived (6) of what it all meant				
For those that like the same sex				
Had the characteristics				
The right-wing conservatives				
Think it's a decision				
And you can be cured				
With some treatment and religion				
Man-made, rewiring of a pre-disposition				
Playing God				
Oh no, here we go				
America the brave				
Still (7) what we don't know				
And God loves all his children				
t's (8) forgotten				
But we paraphrase a book written				
Thirty five hundred years ago				

I don't know

# And I can't change

# Fill in the gaps

Even if I tried				
Even if I (9) to				
And I can't change				
Even if I tried				
Even if I wanted to				
My love, my love, my love				
She keeps me warm				
She (10) me warm				
She (11) me warm				
She (12) me warm				
If I was gay				
I would (13) hip-hop (14) me				
Have you read the YouTube comments lately				
Man that's gay				
Gets dropped on the daily				
We've become so numb to what we're saying				
Our culture founded from oppression				
Yet we don't have acceptance for them				
Call each other faggots				
Behind the keys of a message board				
A word rooted in hate				
Yet our genre (15) ignores it				
Gay is synonymous with the lesser				
It's the same hate that's (16) wars from religion				
Gender to skin color				
A complexion of your pigment				
The same fight that led people to walk-outs and sit-ins				

There's human rights for everybody

#### Fill in the gaps

There is no difference Live on And be yourself When I was in church they taught me something else If you preach (17)\_\_\_\_\_ at the service Those words aren't anointed And that Holy Water That you soak in is then poisoned When everyone else is more comfortable Remaining voiceless (18)\_\_\_\_\_ than fighting for humans That have had their rights stolen I might not be the same But that's not important No freedom till we're equal Damn right I support it I don't know And I can't change Even if I tried Even if I wanted to My love, my love, my love She keeps me warm She keeps me warm She (19)\_\_\_\_\_ me warm She keeps me warm We press play Don't press pause Progress, (20)\_\_\_\_\_ on With a veil over our eyes

We turn our back on the cause

Till the day that my uncles can be united by law

#### Kids are walking around the hallway

Plagued by (21) in their heart				
A world so hateful				
Some would rather die than be who they are				
And a certificate on paper				
Isn't gonna (22) it all				
But it's a damn good place to start				
No law's gonna change us				
We have to (23) us				
Whatever god you believe in				
We come from the same one				
Strip away the fear				
Underneath it's all the same love				
About time that we raised up				
And I can't change				
Even if I tried				
Even if I wanted to				
And I can't change				
Even if I tried				
Even if I wanted to				
My love, my love, my love				
She keeps me warm				
She keeps me warm				
She keeps me warm				
She keeps me warm				
Love is patient, love is kind				
Love is patient, (24) is kind				
Love is patient (not (25) on Sundays)				
Love is kind (not crying on Sundays)				
Love is patient (not (26) on Sundays)				

# Fill in the gaps

#### Love is kind (not crying on Sundays)

Love is patient (not (2	27)	on Sundays)		
Love is kind (not (28)		on Sundays)		
Love is patient (not crying on Sundays)				
Love is (29)	(not crying or	n Sundays)
