

Fill in the gaps

Said I'd never leave her	If you're pretending (17) the start like this
'Cause her hands fit like my t-shirt	With a tight grip, (18) my kiss
Tongue tied over three words, cursed	Can mend your broken heart
Running over thoughts that (1) my feet hurt	I might miss everything you said to me
Bodies (2) (3) her lips	And I can lend you broken parts
Now she's (4) so low since she went solo	That might fit like this
Hole in the middle of my heart like a polo	And I will give you all my heart
And it's no (5) to me	So we can start it all (19) again
So can we do it all over again	You'll never know how to make it on (20) own
If you're pretending from the start like this	And you'll never show weakness for letting go
With a tight grip, then my kiss	I guess (21) hurt if this
Can mend your broken heart	seed's sown
I might miss everything you said to me	But do you really wanna be alone?
And I can lend you (6) parts	If you're pretending from the start like this
That might fit like this	With a tight grip, (23) my kiss
And I will give you all my heart	Can mend your (24) heart
So we can start it all (7) again	I might miss everything you said to me
Can we take the same road	And I can lend you broken parts
Two days in the (8) clothes	That might fit like this
And I (9) just what she'll say	And I will give you all my heart
If I make all this pain go	So we can (25) it all over again
Can we stop this for a minute	If (26) pretending from the start like this
You know	With a tight grip, then my kiss
I can tell (10) your heart isn't in it or with it	Can (27) your broken heart
Tell me with (11) mind, body and spirit	I might miss everything you said to me
I can make (12) tears fall down	And I can lend you broken parts
Like the showers (13) are British	That might fit like this
Whether (14) together or apart	And I will give you all my heart
We can (15) (16) the masks	So we can start it all over again
And admit we regret it from the start
