

I got the goods and I want you...

## Fill in the gaps

Baby the harder you work	Put your boots on baby get to
The further you get (1) me (with me)	Work, work
I think you can	You know you gotta
I think you can	Work, work
Turn up prepared and make sure	And it's up to you how far we take this
That you can keep up (2) me (with me)	Yes, it's up to you so take the lead
I think you can	And it's up to you so tell me what I gotta sign
I think you can	Waiting at the finish (7) baby
But, be aware I always get what I deserve	Ready, set, go
Keep your focus keep your nerve	Pick up the pace and step on it
Ready, set, go	Rip up the place if you want it
Pick up the pace and step on it	Work, work
Rip up the place if you want it	You know you gotta
Work, work	Work, work
You know you gotta	I got the goods and I want you
Work, work	Put your boots on baby get to
I got the goods and I want you	Work, work
Put your boots on baby get to	You know you gotta
Work, work	Work, work
You (3) you gotta	Pick up the (8) and step on it
Work, work	Rip up the place if you want it
I tend to get what I want	Work, work
So are you starting to see (to see)	You (9) you gotta
I think you do	Work, work
I think you do	
It's time for you to step up	I got the goods and I want you
If you wanna be with me (with me)	Put your boots on (10) get to
I think you do	Work, work
I think you do	You know you gotta
But don't go slow	Work, work
That is not the way we play	
Slowly ain't my (4) of game	Work, work
Ready, set, go	You know you gotta
Pick up the (5) and step on it	Work, work
Rip up the place if you want it	You know you gotta
Work, work	Work, work
You (6) you gotta
