

## Fill in the gaps

You were a child,	A baby is born,
crawlin' on your knees toward it.	crying out for attention.
Makin' (1) so proud,	Memories fade,
but your voice is too loud.	like looking through a fogged mirror
We like to watch you laughing.	Decisions to decisions are (6) and not fough
Pickin' insects off plants.	But I thought,
No time to think of consequences.	this wouldn't hurt a lot.
Enjoy yourself.	I (7) not.
Take only what you need from it.	Enjoy yourself.
A family of (2) wanting,	Take only what you need from it.
To be haunted.	A family of trees wantin',
Enjoy yourself.	To be haunted.
Take (3) (4) you need (5) it.	Enjoy yourself.
A family of trees wantin',	Take only (8) you need from it.
To be haunted.	A family of (9) wantin',
The water is warm,	To be haunted.
but its sending me shivers.
