

Treat you right, be with you day and night All I really want is to hold you tight

Fill in the gaps

You tell me you're in love with me	Treat you right, be with you day and night
Like you can't take your pretty eyes away from me	Baby all I need is time
It's not that I don't want to stay	Just hang around and you'll see
But every time you come too close I move away	There's nowhere I'd rather be
I wanna believe in everything that you say	If you love me, trust in me
'Cause it sounds so good	The way that I trust in you
But if you really want me move slow	Sometimes I run (sometimes)
There's (1) about me you just have to know	Sometimes I hide
Sometimes I run	Sometimes I'm scared of you (oh)
Sometimes I hide	But all I (8) want is to hold you tight
Sometimes I'm scared of you	Hold you tight, treat you right
But all I (2) want is to (3) you tight	Be with you day and (9) (day and night
Treat you right, be with you day and night	Sometimes I run (sometimes)
Baby, all I need is time	Sometimes I hide
I don't wanna be so shy	Sometimes I'm scared of you
Every time that I'm (4) I wonder why	But all I really want is to hold you tight
Hope that you will wait for me	Treat you right
You'll see that you're the only one for me	Be with you day and night (day and night)
I wanna believe in everything (5) you say	All I really want is to hold you tight
'Cause it sounds so good	Be with you day and night
But if you really want me move slow	Sometimes I run (sometimes)
There's things (6) me you (7) have to	Sometimes I hide
know	Sometimes I'm scared of you
Sometimes I run (sometimes)	But all I really want is to hold you tight
Sometimes I hide	
Sometimes I'm scared of you	
But all I really want is to hold you tight
