

## I know that it is freezing But I (1)\_\_\_\_\_ we have to walk I keep waving at the taxis They keep turning (2)\_\_\_\_\_ lights off But Julie knows a party At some actor's west side loft Supplies are endless in the evening By the morning they'll be gone When everything is lonely I can be my own best friend I get a (3)\_\_\_\_\_ and the paper Have my own conversations With the sidewalk and the pigeons And my window reflection The mask I (4)\_\_\_\_\_ in the evening By the morning looks like \*\*\*\* And I know you have a heavy heart I can feel it when we kiss So many men (5)\_\_\_ Have thrown their backs out trying to lift But me I'm not a gamble You can count on me to split The love I sell you in the evening By the morning won't exist You're looking skinny like a model With your eyes all painted black

You just keep going to the bathroom Always say you'll be right back

## Fill in the gaps

Well it takes one to know one, kid	
I think you've got it bad	
But what's so easy in the evening	
By the morning is such a drag	
I've got a flask inside my pocket	
We can share it on the train	
And if you promise to stay conscious	
I will try and do the same	
Well, we (6) die from medication	
But we'll sure kill all the pain	
But what was normal in the evening	
By the morning (7) insane	
And I'm not sure what the trouble was	
That started all of this	
The reasons all have run away	
But the feeling (8) did	
It's	
Not something I would recommend	
But it is one way to live	
'Cause what is simple in the moonlight	
By the (9) (10)	į
It was so simple in the moonlight	
Now is so complicated	
It was so simple in the moonlight	
So simple in the moonlight	
So simple in the moonlight
