Lua by Bright Eyes

I know that it is freezing

But I think we (1)_____ to walk

I keep waving at the taxis

They keep turning their lights off

But (2)_____ knows a party

At some actor's west side loft

Supplies are endless in the evening

By the morning they'll be gone

When everything is lonely

I can be my own best friend

I get a (3)_____ and the paper

Have my own conversations

With the sidewalk and the pigeons

And my window reflection

The mask I polish in the evening

By the morning looks like ****

And I know you have a heavy heart

I can feel it when we kiss

So many men stronger than me

Have thrown their (4)_____ out (5)_____ to

lift

It

But me I'm not a gamble

You can count on me to split

The love I sell you in the evening

By the (6)_____ won't exist

You're looking skinny like a model

With your eyes all painted black

You just keep going to the bathroom

Always say you'll be right back

Well it takes one to know one, kid

I think you've got it bad

But what's so easy in the evening

By the morning is such a drag

I've got a flask inside my pocket

We can (7)_____ it on the train

And if you promise to stay conscious

I will try and do the same

Well, we might die from medication

But we'll sure kill all the pain

But (8)_____ was normal in the evening

By the morning seems insane

And I'm not sure what the trouble was

That started all of this

The reasons all have run away

But the feeling never did

It's

Not something I would recommend

But it is one way to live

'Cause what is (9)_____ in the moonlight

By the morning never is

It was so (10)_____ in the moonlight

Now is so complicated

It was so simple in the moonlight

So simple in the moonlight

So simple in the moonlight…
