I know (1)_____ it is freezing
But I think we have to walk
I keep waving at the taxis
They keep turning (2)_____ (3)_____ off
But (4)_____ knows a party
At some actor's west side loft
Supplies are endless in the evening
By the morning they'll be gone
When everything is lonely
I can be my own best friend
I get a (5)_____ and the paper
Have my own conversations
With the sidewalk and the pigeons
And my (6)_____ reflection
The (7)_____ I (8)_____ in the evening
By the (9)_____ looks (10)_____ ****
And I know you (11)_____ a heavy heart
I can feel it (12)_____ we kiss
So many men stronger than me
Have (13)_____ (14)_____ backs out trying
to lift
It
But me I'm not a gamble
You can count on me to split
The love I sell you in the evening
By the morning won't exist
You're looking skinny (15)_____ a model
With your (16)_____ all (17)_____ black
You just keep (18)_____ to the bathroom
Always say you'll be right back

Well it (19)_____ one to know one, kid
I think you've got it bad
But what's so easy in the evening
By the morning is such a drag
I've got a flask (20)_____ my pocket
We can (21)_____ it on the train
And if you promise to stay conscious
I (22)_____ try and do the same
Well, we might die from medication
But we'll sure kill all the pain
But what was normal in the evening
By the morning seems insane
And I'm not sure (23)_____ the trouble was
That started all of this
The reasons all (24)_____ run away
But the feeling never did
It's
Not something I would recommend
But it is one way to live
'Cause what is simple in the moonlight
By the morning never is
It was so (25)_____ in the moonlight
Now is so complicated
It was so (26)_____ in the moonlight
So simple in the moonlight
So simple in the moonlight...
