At The Bottom Of Everything by Bright Eyes

So there was this woman
And she was on an airplane
And she was flying to meet her fiancé
Seaming high above the...
The largest ocean on (1)_____ Earth
And she was sitting next to this man
Who.. you know she had tried
To start conversations
And the only thing she had really heard him say
Was to order his bloody Mary
And she's sitting there
And she's reading this really arduous magazine article
About a (2)_____ (3)_____ country that she
can't
Even pronounce the name of and
She is feeling
Very bored, and (4)_____ despondent
And then... (um..) suddenly
There was (5)_____ huge mechanical failure
And one of the (6)_____ gave out
And they started, just, falling
Thirty-thousand feet
The pilot is on the (7)_____ and he...
He's saying "I'm sorry, I'm sorry, oh my God...
I'm sorry" and apologizing
And she looks at the man and she says
She says ... she says: "where are we going?"
And (um...) he looks at her...
And he says
"We're going to a party
It's a birthday party
It's (8)_____ birthday party, happy birthday darling
We love you very, very, very
Very, very, very, very much"
And (9)_____ (um...) he starts humming this little tune
And, it kind of (10)_____ like this
Is kind of: 1, 2, 1, 2, 3, 4
We must talk in (11)_____ telephone
Get eaten off the web
We must rip out all the epilogues
From the books that we have read
And in the face of every criminal

Strapped firmly to a chair
We must stare, we (12)_____ stare, we must stare
We must (13)_____ all of the medicines
Too (14)_____ now to sell
Set fire to the preacher who is promising us hell
And in the ear of every anarchist
That sleeps but doesn't dream
We must sing, we must sing, we must sing
It'll go like this, all right
While my (15)_____ (16)_____ plants
My father loads his gun
He (17)_____ : "death will give us back to God
Just like the setting Sun
Is (18)_____ to the lonesome ocean"
And then they splashed into the deep blue sea
Oh, it was a wonderful splash
We must blend into the choir
Sing ecstatic (19)_____ the whole
We must memorize nine numbers
And deny we have a soul,
And in this endless race for property
And privilege to be won
We must run, we must run, we must run
We (20)_____ hang up in the belfry
Where the bats and (21)_____ laugh
We (22)_____ (23)_____ into a crystal ball
And only see the past
And in the caverns of tomorrow
With just our flashlights and our love
We must plunge, we must plung, we must plunge
And then we'll get down there
Way down to the very bottom of everything
And then we'll see it
Oh we'll see it, we'll see it, we'll see it!
Oh my morning's coming back
The (24)_____ world's waking up
All the city buses swimming past
I'm happy just because
I found out I am really no one
