

Fill in the gaps

The congregation sang	And (17) the (18) arrive
We (1) and prayed	I don't stand here tryin' to focus the blame
As we (2) (3) God	But I'm hurtin' deep down inside
On that beautiful day	All the (19) an' all the grievin'
The (4) bells rang	When did we stop believin'
And the champagne flowed	Too (20) now to stop the bleedin'
As our friends (5) round	It's over
For the wedding photo	What's the sense in pointin' fingers
But (6) we are (7) five years or	Who's the saint an' who's the sinner
An' our whole world's fallin' apart	They're ain't gonna be a winner
All the plans we had together	It's over
Up in smoke and gone for ever	Oh, my dear, (21) happened to us?
Poisoned by the lawyer's letter	Tell me, where did it all go wrong?
It's over	What's the use in keep on fightin'?
I don't want our (8) to suffer	All the tears, all the cryin'
Can we (9) to one another	Why do we keep denyin'?
You were (10) my light, my lover	It's over
It's over	In all the time I thought I (22) ya
Rumours and whispers tear me apart	Don't (23) our children's future
That I (11) you better (12) that	I would do (24) suits ya
Inseparable were we	Oh yeah
With a breeze in our sails	It's over
Now I feel a (13) wind	It's over
On the (14) (15) failed	Yeah, it's over
And I pray as I divided	
They've taken (16) sides	
Now they'll all sit back
