High School by Nicki Minaj & Lil Wayne

He said he came from Jamaica		I tell her make me (7) money	
He owned a (1)	acres	She tell me make me a wife	
A couple fake (2)	'cause he never got his papers	I tell her, *****, you crazy	
Gave up on love		**** wrong with you	
****** with them heart breakers		And excuse my French, but I'm a long kisser	
But he was getting money		And then she try to tell me	
Nith the movers and the shakers		I'm the only one that's hitting	
He was (3) with a couple things		And I say, what about them niggas	
Ball like a couple rings		She say, what about them niggas	
Bricks in the condo and		You right	
Grams to Sing Sing		What you doing tonight	
_eft arm, baby mother tatted		Put on something tight	
Five year bid up, north on they ratted		Don't judge me, I get life	
Anyway, I felt him, helped him		She (8) me like a brother	
Put him on lock		But **** me like a husband	
Seat (4) them	1	**** like a oven	
Took him out to Belgium, welcome		Too hot to put my tongue in	
****** this pretty, that's seldom		All I had to do is rub it	
This box better than the box he was held in		The genie out the bottle	
-I-I'm Momma Dee in that order		**** so wet	
call him daddy like daughters		I'mma need goggles	
He like it when I get drunk		She tell me that's it's mine	
But I like it when he be sober		I tell her stop lying	
That's top of the toppa		Mine and who else	
never **** with beginners		She say worry about yourself, Lil Tune	
let him play with my *****		(They holler at me) but it's you, you	
Then lick it off of his fingers, I'm in the zone		This ain't high school	
They holler at me) but it's you, you		Me and my crew	
This ain't high school		We can slide through	
Me and my crew		Give it to you whenever you want	
We can (5) through		Put it wherever you want	
Give it to you whenever you want		Baby, it's yours	
Put it wherever you want		Anywhere, everywhere	
Baby, it's yours		Baby it's your world, ain't it (ain't it)	
Anywhere, everywhere		Baby it's your world, ain't it	
Baby it's your world, ain't it (ain't it)		I know you want it, boy, I see you trying	
(Alright)		Just (9) on pushing, I'm a let you slide in	
Baby it's your world, ain't it		Just close your eyes and	
She got a (6) at home		This horizon	
And one on the side		It's ready, come get you some	
Best friend is a dike		(Yeah, yeah, yeah)	
They ***** around a few	times
