Bright Lights by Tynchy Stryder & Pixie Lott

Flash lights and the good life
Keep calling out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Let me lose my way
'Cause I know somehow
Something's gonna change
(Uh, uh) from the (1) to the sky
And it wasn't overnight
Strydes
Last time running never went too well
Heart saying (2) on
Head telling me forfeit
Glimpse of the high life
I wish I never saw this
Now I want it all, want it all, I'm selfish
Felt locked (3) like I caught a death sentence
Like (4) Sugar fired me (5) The
Apprentice
See my little weight, I must've lost half
Even Nando's
Won't send me a new black card
And there's all (6) and assumptions
And there's all (b) and assumptions
Back to the grind

Bright lights got me feeling jolly
Never let you down, that's my word
You ain't gotta worry
Work for this
Don't know about you but I work for this
Couple labels (18) I wasn't (19) the
risk
Just another hoodrat hoodie with a black hat
He's just one of them looking for a purse to nick
Never (20) had a plan B
Stayed on point
I am sharper than a Stanley
Big star, flash car, looking trendy I know I got my (21) high, took it by Kylie
From (22) I've been obsessed with the fame
Know you're in lane
'Cause your dreams were the same
Every day I pray, really wishing for a change
Dreams to reality and now I'm in the game
Flash lights and the good life
Keep calling out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Won't let me lose me way
'Cause I know somehow
Something's gonna change, yeah
Let me tell you (23) to take it down
This is the part (24) the song breaks down
Stay looking up, never facing down
Long as the bright (25) are blazing down
Flash lights and the good life
Keep (26) out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Won't let me lose me way
'Cause I know somehow
Something's gonna change
(Something's gonna change)
Ha ha
